Actions and Reports from the Meeting of August 9

From the Minutes Submitted by Roselyn Wang

Rich reported that we currently have 176 regular members and 15 life members. Renewal notices will go out in November.

Dave reported that the club has sufficient assets to donate \$12,000 this year, including the \$300 already given to the Amateur Radio Club. The board approved the remaining \$11,700, and that Steve appoint a donations committee. Input is solicited from the membership.

Election of Officers for 2011 will take place at the Annual Meeting on September 16. Current officers have agreed to run for reelection. Other nominees may contact Gary Colburn prior to the meeting or submit their names from the floor at the meeting.

Gary Colburn and Joel Steinburg attended a committee meeting of the San Joaquin Council of Governments to discuss allocation of Measure K funds for Bicycle, Pedestrian and Safe Routes to School projects. They will continue to be involved in the COG's advisory and ad hoc committees. Steve commented that club members might want to get involved in town hall meetings, specifically mentioning the Plymouth casino.

The next Delta Century is scheduled for May 1, 2011.

Upcoming events for September include a blood drive on September 10 and two sponsored rides on September 18: Clark's in Ione and the Modesto Cancer ride.

There are still some club jerseys in the latest style available at the Lodi Bicycle Café. Roselyn also has some of argyle print.
