Stockton Bicycle Club  
Post Office Box 4702  
Stockton, California 95204-4702

Dear Mr. Neiner and Members of the Stockton Bicycle Club:

Thank you very much for once again including Community Center for the Blind and Visually Impaired among the organizations that receive proceeds from the 2012 Delta Century. We will use your generous \$1,500.00 contribution to provide services to those in our community whose vision impairments impede their ability to perform tasks of daily living. Our clients, staff and board of directors appreciate the time and energy the Stockton Bicycle Club invests in the Delta Century in order to contribute to worthy charitable organizations. We are so thankful for the assistance you have given Community Center for the Blind and Visually Impaired through the years.

As I'm certain you're aware, Community Center for the Blind and Visually Impaired will host the fifth Pedaling Paths to Independence on Saturday, February 23, 2013. The success of the event has been due in large part to sponsorship from the Stockton Bicycle Club as a whole as well as individual members. We look forward to your continued support.

Thank you very much, again, for your philanthropy. Keep the wind at your backs and the rubber side on the ground.

Sincerely,

Judi A. Howell, President  
Board of Directors
